You spoke. We listened.

Locum tenens has been reinvented.

One name to remember and one call to make. That's what you and your colleagues at medical facilities across the country have asked for, and Medical Doctor Associates has completely changed the way we do business to deliver on that request. Whether you are staffing one specialty or 12, MDA gives you a single point of contact to help streamline your day and provide better customer service throughout the staffing experience.

Working with us also means that you get:

- **Specialty-specific recruiters working to source candidates for every assignment.**
MDA has an entire team of recruiters that are experts in their specialties working to rapidly identify candidates that are a great fit for every coverage need.
- **The industry's most qualified providers.**
MDA's A++ rated occurrence form malpractice insurance and our NCQA certified in-house Credentials Verification Organization means that we always work with the highest caliber of medical professionals.
- **Peace of mind.**
MDA will handle every detail of your coverage need, including credentialing, travel and housing, and advertising the position, which means you don't have to.

"MDA's mission is to provide desirable, quality physicians and advanced practice professionals to the healthcare facilities we serve on time, every time. You are the first point in patient care and we aim to be your partner in that important endeavor every step of the way."
